CLASS POEM

We come out o' grammar school All 'a feelin' fine, And found ourselves a sittin' Smack in number nine.

We took the books they gave us, 'Cause it was a must. Befor the year was over, We had much disgust.

The most of us made it to A grade number ten. If we did n't, we had to Take ole nine again.

Sophomores, they called us, since A year had gone by.
This monicker they hung on usI've often wondered why.

Juniors we now became- and Such happy ones to-Only one more year in which To moan and be blue.

Many thought if they got past That ole grade eleven They'd have a ticket to the Very gates of heaven.

We attained the final goal, Cherished senior year, But French and Physics seldom Brought to us good cheer.

We had parties of all kinds Given incessantly. After passing exams, our faces Shown incondescantly.

To those who think that their work
To about to end,
I suspect they'll find it's
About to begin.

To those who are near eighteen I've but this to say,
You ain't going to do nothin,
If you're in lA.

Really, it's going to be Kimd 'a hard to leave. I wouldn't care if I were Younger, I believe.

SENIOR CLASS HISTORY

Twelve years ago we made our first trip to our Alma Mater to begin our long trip upward. Nine years later as green Freshmen we sponsored a teen-age party, and it turned out very well. There wer 33 students on the roll in our first year of high school.

At the beginning of our sophomore year we had 13 girls and 13 boys on roll. During the year we lost one of our girls. We sponsored the Christmas Prom, which was the second of its kind to be held at Haw River School. We had a large crowd, and all enjoyed it.

Haw River School. We had a large crowd, and all enjoyed it.

On September 3, 1950, we put another rung on the ladder of time and became Juniors. That year we were in charge of the Junior-Senior Banquet, which was held at the Alamance Hotel on March 23, 1951. During our Junior year we also made a trap (a very enjoyable one) to Washington, D.C. We gave a play, OUR GAL SAL, and it was a great success.

Then on September 5, 1951 we finally attained our goal- that of being DIGNIFIED SENIORS. We had four parties this year, and each seemed to be more fun than the one before. We made a quick, but excitmed to be more inn than the one pelore. We made a quick, but exciting trip to Bugg's Island, a construction project in Virginia. As Seniors we enjoyed our many ventures, and high in our project was the Senior Day at Flon College. We had an enjoyable time touring the campus and seeing the basketball game.

Now that our high school days are fastly becoming history, we wish to thank our teachers for the help they have rendered us. To their untiring efforts to steer us successfully over all the hard-spots, and their nations understanding of our difficulties.

spots, and their patient understanding of our difficulties, we owe

a newer ending debt of gratitude.

So we come to the top of our twelve-rung ladder. We will never forget our Alma Mater and hope that she will never forget us.

Route 1 Haw River North Carolina May 30, 1957

Dear Nancy ,

As I was out on my patrol route one day I saw Sarah May opening a mailbox labeled Mr. and Mrs. Darrell Holmes. Since I had a few minutes I stopped to see if she had heard from any of our old classmates. She said that she and Darrell were doing very well on their farm.

I asked if she had seen anything of our classmates, she said that just during the past week Estelle, Nellie, and Wilda had visited her.

It seems that Estelle has gone into school teaching and was just last year elected "THE BEST TEACHER OF GRAHAM HIGH!" Estelle told Sarah that Betty Sue is very successful as an opera singer and now is on a world wide tour.

Nellie said she was the owner of the "HAW RIVER HOT SPOT NIGHT CLUB!" Her main attraction and singer is our own Nancy Fogleman. Seems you're doing fine, Nancy.

Wilda married Clarence soon after school ended. They have a large dairy farm just outside Graham. We learned from her that Jean was the newly elected president of her social circle, and that she and David had a new set of twins. Mother and daughters are doing fine.

Sarah asked me if I had seen in the papers where John Richard Sykes had won the M V P award while playing pro football with the New York Giants team. I told her I hadn't noticed, but I had noticed that Bobby Coble was doing very well with the New York Yankees Baseball Club. He won the "Rookie of the Year Award," last year.

I told Sarah I was surprised at Dale's profession, instead of quotting the laundry he bought it. I suppose he got tired of delivering laundry so he bought it.

There had been a convention of mill owners in Raleigh the preceding week, and Sarah told me she saw James Chatman's and Garland Yount's names. James had his at Tabardrey, and Garland is the Vice President of Grabur Mills in Graham. James had his secretary, Frances Stewart, along to take notes for him. I see James still conserves his energy.

We went into the house and Sarah showed me a picture of the new owner of Stonewall Service Station. Seems Vance Smith is doing fine.

Sarah asked me about myself and I told her I was now a sergeant in the state highway patrol, and if I did not get on the job I wouldn't be any longer.

As I left I told her to keep in touch with me and I would see her again soon. I'll write again soon, and maybe I can get over to see you before long.

An ex-classmate,

Den Williams

The Senior Class of '52 has realized for sometime that our departure is drawing near. We have felt that school is beginning to disagree with us, and the members of our faculty have almost succeeded in accomplinshing the demise of the fourteen best Seniors that Haw River High's walls have ever held. We have been treated with extra doses of bitter lessons and red tape, but in spite of all these things we have overcome many of the hardships of our school life.

Now as we come to our last days here it is with rejoicing yet saddening hearts, that we leave our school and friends. So we the Seniors of 152 with blank minds and weak bodies do make this our last will intestament.

To the school we leave our broken back books, cut up desk, signature on walls, cast off chewing gum and other unforgetable

Last year we had an improved young team from the year before. We won 4 and lost 5. Our team played in the tournament, but lost out in the first round. Kenneth King, Garland Younts, John Sykes, and Pete Stout were the leaders on the team. We had a good record considering the team did not have a senior on it. Haw River is considering the team did not have a senior on it. Haw River is expecting to be one of the powers of the county this year. We will have more power at the plate and fine pitching strength.

HAW RIVER'S GRIDIRON ELEVEN

Our football practice began in the early fall and consisted of two sessions. One in the morning and one in the afternoon. Some of our boys were late in gettin into shape for the coming gridiron batt-les. In our first game with arch rival Mebane, our young and inexper-lenced team was not enough to stop them. Our offense and defense would not click. Mebane come out on the top and by a score of 25 to 6. not click. Mebane came out on the top end by a score of 25 to 6.

Our next game was a revenging one. It was played at Graham ball park against Altamahaw Ossippee. Sonny Clayton, John Sykes, and Garland Younts looked exceptionally good on offense. Dale Shepherd, John Sykes, and David Ray put up a strong defensive wall. Our defense looked good except on passes, which Ossippee managed to score once. Haw River came out on top by a 13 to 7 score.

Our next game was also played at Graham park with Ramseur. We had an enormous supply of suposedly penalties. Sonny Clayton looked exceptionally good on offensive play. He threw passes all over the field, but a lot of the aerials were called back, including one touchdown. Ramseur managed to down us 12 to 6.

Against E.M. Holt we showed grand offensive power. Vance Smith and Garland Younts scored on good runs. Jerry Bosquet contributed six points by a Clayton to Bosquet touchdown pass. Making up a strong defensive wall were: Dale Shepherd, John Sykes, Garland Younts and Bill Montgomery. The game was played mostly in Holts territory. Haw River managed to score an impressive 18 to 0 victory.

At Gibsonville we looked exceptionally good on offense and defense.

Vamee Smith and Garland Younts looked impressive on nice ground gains.

Vamee Smith and Garland Younts looked impressive on nice ground gains. They each contributed one touchdown. Also a Clayton to Bosquet pass contributed another. We would have had another shutout had there not been for an intercepted pass. We came out on top by a 18 to 7 score. As we went into our last game with Alexander Wilson, they had lost none and tied one. We had lost one and tied none. Therefore, Haw River and Alexander Wilson were playing for the county champion-ship. We were supposed to play on the 2nd of November, but Alexander Wilson kept putting it off on account of wet grounds. On Thursday night November the 8th, we played the game at Swepsonville ball park. The game started at 8 o'clock and in the next two hours that followed we showed great offensive and defensive strength. Vance Smith and Garland Younts took over the ground chores and made very long, hard and nice gains. Somy Clayton to John Sykes brought results in the aerial attack. Phillip Ray, Dale Shepherd, John Sykes and Hardy Tew showed a strong defensive wall. At the end of the ball game we walked off of the field with a happy 13 to 0 victory, thus capturing the Alamance County Football Championship. ance County Football Championship.
